

## Integrated Research Institute for Inclusive Development (IRIID)

Fareast International University (FIU) has established **Integrated Research Institute for Inclusive Development (IRIID)** to promote research on various issues of the contemporary world & facilitate further education using appropriate technology for sustainable development under the provision of the Private University Act-2010 and approval from the University Grants Commission (UGC).

### Aims & Objectives:

- To promote and provide facilities for advanced studies & research on all the benches of knowledge and such other subjects as are significantly related to the life and society of Bangladesh for short courses viz. diploma, the M. Phil. and Ph.D. degrees
- To undertake research projects in co-operation with public or private organizations, international donors or Agencies as and when necessary under mutual agreement
- To place at the disposal of society the result of the researches conducted at the Institute for fruitful utilization in planning & development schemes
- To co-operate with other departments of the university in research activities
- To popularize knowledge through seminars, conferences & publications
- To conduct such other activities as may facilitate attainment of the objective of the institute
