ENVS 385 Disaster Resilience

GUEST TALK

Climate Migration

Dr. Bayes Ahmed

Associate Professor
Department of Risk and Disaster Reduction
University College London (UCL)

Dr. Ahmed is an Associate Professor in the Department of Risk and Disaster Reduction (RDR) at University College London (UCL). His research experience spans across disaster risk reduction (DRR), conflict and migration, Hydrocide, climate change adaptation, genocide diplomacy, and climate mobility. He is specialized in the intersection of conflict and disaster, with a vision to improve the quality of life of displaced persons and stateless populations. Dr. Ahmed is driven by a passion for collaborating with frontline communities, aiming to understand their challenges comprehensively and develop actionable policy recommendations to meet their specific needs.
